

TTB Food Group Meeting (SG & PN notes)

Tues 21 May 2011

1. Attendees:

Aitor, Aimee, Ariel, Charles, Katherine, Laura, Marianne, Mike, Penny, Robert, Sonja

2. Actions agreed

- all to research one item before next meeting - see section 3
- Penny to check access of TTB wiki at Brixton library - access applied for months ago and still not possible

3. Research for next meeting

All to research the info needed for someone who wanted to bring land into production:

- **Charles** to talk to Argamenon about his project,
- **Aimee** to look on TTB site to see what relevant info exists & how easy to find
- **Aitor** to think of the different types of info the person would need
- **Ariel & Mike** to consider how best to recruit, co-ordinate and keep volunteers motivated
- **Sonja** to look into existing sites that match land with volunteers

4. Next meeting details

Tues 12 July

3.00 - 7.00 TTB working session: join to help Penny with website and admin tasks (bring laptop if possible) (5.30 - 6.30, bring food to share or just come and give a donation, 6.30 - 7.00 skill-share, How to use Survey Monkey or another suggestion?)
7.00 - 8.30 TTB Foodie Meeting proper

5. Topics to discuss next meeting

- Update on events and projects
- How to help people with spaces they want to bring into production - report back on research.
- TTB central activities - how to share the load, Penny to take us through all tasks and describe what roles need filling

6. Events coming up

27 June - Make it Grow it Sell it meeting - Canterbury Arms 7pm
July tbc - Brixton Bees meeting
4 July - SEED lecture
16/17 July - Country Show
4 Sept - Urban Green Fair

7. Topics discussed in this meeting:

1. **Slade Gardens** - Meeting taking place wed 22 June 7pm
2. **Food Coop** - currently doing it every 2 months, a lot of people and that takes time for sorting out orders.
3. **Incredible Edible** - they will be looking at how to organize help with harvesting of apples etc and setting up hubs.
4. **BLIP** - BWL coming to the point of "in production" so need a new project, may take on slade gardens or another site. Considering how to choose another site. Supporting other gardens in getting compost and raised bed building materials needed.
5. **Brixton Reuse** - Penny attending steering group meetings
6. **Makerhood** - New online market place for lambeth craftspeople/growers
7. **Incredible Edible Lambeth** - teaming up with London orchard project to re-start abundance type harvesting projects
8. **Make it, grow it, sell it** - new stall space on brixton market for local craftspeople/growers
